## Work and experience

### Legal work and experience \*

Please list, in chronological order starting with the most recent, six examples of previous or ongoing legal work and/or experience.

We are interested in hearing not just about where you worked, with whom you went and/or what you did in relation to each entry, but what you learnt from the experience and why you consider it to be relevant to your application for pupillage at RLC. If you have multiple examples of the same type of experience (e.g. mini-pupillages, or mooting) you can group these together as one example.

In the event you have more than six examples, select those you consider most relevant. You may provide a brief summary of the remainder of your previous experience at the end, provided you do not exceed the word count for the section as a whole.

Maximum 600 words.
